

GODOLPHIN CASE STUDY

## Securing the site for independent Salisbury school

VENTURE  
**SECURITY**  
MANAGEMENT

Security requirements :

- ✓ Reliable, locally based security provider
- ✓ Support in securing the premises each day
- ✓ Fully trained and SIA licensed security officers
- ✓ Officers who are enhanced DBS checked with 10-year screening
- ✓ Comprehensive reporting procedures

**Godolphin is a leading independent boarding and day school attended by around 450 female students aged between 3 - 18.**

Set in expansive grounds and just a five minute walk from Salisbury city centre, the school boasts multiple buildings, including a performing arts centre, swimming pool and fitness centre.

**GODOLPHIN**

Venture Security has been providing a range of security services for Godolphin since March 2020. The school first approached Venture for support after noticing that the team was successfully working with another local school in the area.

Godolphin was keen to explore options for outsourcing its own security requirements, following the retirement of an existing security guard. What appealed most to Godolphin about Venture was the fact the company was local and highly experienced, with officers who were fully trained, enhanced DBS checked and SIA licensed.

Venture supports Godolphin by securing the school's 13 different buildings every day. This includes ensuring all windows and doors are locked and no students remain on the premises. This gives Godolphin confidence that the site, students and facilities are both safe and secure.

Working with Venture has offered consistency and reassurance and relieved the issue of needing to manage staff holidays and illness among inhouse security personnel, giving complete peace of mind.

**“Everyone at Venture is really friendly and easy to work with. They always go the extra mile to meet our needs and are very flexible, which is exactly what we hoped to achieve by outsourcing our security.**

**“There is a phrase I think fits perfectly with Venture – they are big enough to cope but small enough to care. There is always someone on the end of the phone and a consistent service, which means we’ve got to know the officers who are working on our site.”**

MATTHEW NELSON, ESTATES MANAGER, GODOLPHIN

## RESULTS

- ✓ Godolphin has the support and expertise of reliable, polite, professional and highly trained security officers
- ✓ There is consistency of service with no need to manage the absence of inhouse security personnel
- ✓ The school has peace of mind that the premises are properly secured each day
- ✓ There is scope to quickly increase security provision in line with adhoc needs and changing requirements

## FIND OUT MORE

The award-winning team at Venture has been supporting local authorities, private and public sector organisations across the region for more than a decade.
